

Cuskinny Marsh Nature Reserve Moth Species List

Click on the name link for photos and information.

- [Angle Shades](#) *Phlogophora meticulosa* Flying April - early November
- Apple Leaf Miner** *Lozotaenia forsterana* No data
- August Thorn** *Ennomos quercinaria* Flying late July – mid-October
- Barred Fruit Tree Tortrix** *Pandemis cerasana* No data
- [Barred Red](#) *Hylaea fasciaria* Flying June - late August
- Barred Straw** *Gandaritis pyraliata* Flying late June – mid-August
- [Bee Moth](#) *Aphomia sociella* No data
- Bilberry Tortrix** *Aphelia viburnana* No data
- Blotched Marble** *Endothenia quadrimaculana* No data
- [Bordered Beauty](#) *Epione repandaria* Flying mid-July - late September
- Bramble Shoot Moth** *Epiblema uddmanniana* No data
- [Bright-line Brown-eye](#) *Lacanobia oleracea* Flying mid-May – mid-August
- [Brimstone Moth](#) *Opisthagraptis luteolata* Flying May - October
- Brindled Flat-body** *Agonopterix arenella* No data
- [Brindled Pug](#) *Eupithecia abbreviate* Flying March – mid-June
- [Broken-barred Carpet](#) *Electrophaes corylata* Flying May – mid-July
- [Brown Silver-line](#) *Petrophora chlorosata* Flying mid-April - June
- Brussel's Lace** *Cleorodes lichenaria* Flying June - August
- [Buff Ermine](#) *Spilarctia luteum* Flying end of May - end of July
- [Buff Arches](#) *Habrosyne pyritoides* Flying June and July
- Bulrush Wainscot** *Nonagria typhae* Flying mid-July – mid-October
- [Burnished Brass](#) *Diachrysia chrysitis* Flying June - August
- Canary-shouldered Thorn** *Ennomos alniaria* Flying August - October
- Clay Triple-lines** *Cyclophora linearia* Flying May – mid-September
- [Clouded Border](#) *Lomaspilis marginata* Flying May - August
- Clouded Brindle** *Apamea epomidion* Flying June and July
- [Clouded Drab](#) *Orthosia incerta* Flying March - May
- [Clouded Silver](#) *Lomographa temerata* Flying May – mid-July
- [Clouded Bordered Brindle](#) *Apamea crenata* Flying May - July
- Common Birch Bell** *Epinotia immundana* No data
- [Common Carpet](#) *Epirrhoe alternate* Flying May – mid-September
- Common Grass-veneer** *Agriphila tristella* No data

Common Marble *Celypha lacunana* No data

Common Marbled Carpet *Chloroclysta truncate* Flying May – mid-November

Common Plume Moth *Emmelina monodactyla* No data

Common Pug *Eupithecia vulgata* Flying late April - early August

Common Quaker *Orthosia cerasi* Flying late February - May

Common Rustic *Mesapamea secalis (unconfirmed)* Flying July - August

Common Wainscot *Mythimna pallens* Flying June - October

Common Wave *Cabera exanthemata* Flying May - August

Common White Wave *Cabera pusaria* Flying May - August

Copper Underwing *Amphipyra pyramidea* Flying August - October

Cyclamen Tortrix *Clepsis spectrana* No data

Cypress Pug *Eupithecia phoeniciata* One record end of August

Dark Arches *Apamea monoglypha* Flying June – mid-October

Dark Fruit Tree Tortrix *Pandemis heparana* No data

Dark Spectacle *Abrostola triplasia* Flying June - August

Dark Strawberry Tortrix *Argyroplote lacunana* No data

Dark Sword Grass *Agrotis ipsilon* Flying March - October

Dark-barred Tortrix *Syndemis musculana* No data

Dark-barred Twin-spot Carpet *Xanthorhoe ferrugata* Flying late April - September.

Double-striped Pug *Gymnoscelis rufifasciata* Flying March - September

Dusky Brocade *Apamea remissa* Flying June and July

Dusky Pearl *Udea prunalis* No data

Dwarf Pug *Eupithecia tantillaria* Flying May and June

Early Thorn *Selenia dentaria* Flying March - August

Elephant Hawk-moth *Deilephila elpenor* Flying May - July

Engrailed/Small Engrailed *Ectropis bistortata/crepuscular* Flying April - June

Flame Carpet *Xanthorhoe designate* Flying mid-April - September

Flame Shoulder *Ochropleura plecta* Flying mid-May – mid-September

Flax Tortrix *Cnephasia asseclana* No data

Flounced Rustic *Luperina testacea* Flying mid-July - September

Foxglove Pug *Eupithecia pulchellata* Flying May - July

Garden Carpet *Xanthorhoe fluctuata* Flying May - October

Garden Grass-veneer *Chrysoteuchia culmella* No data

Garden Tiger *Arctia caja* Flying end of July - August

Ghost Moth *Hepialis humuli* Flying June - August

Grass Emerald *Pseudoterpna pruinata* Flying July and August

Green Arches *Anaplectoides prasina* Flying June and July

Green Carpet *Colostygia pectinataria* Flying mid-May – mid-October

Grey Dagger *Triaena psi* Flying mid-May – mid-August

Grey Gorse Piercer *Cydia ulicetana* No data

Grey Pine Carpet *Thera obeliscata* Flying May – mid-October

Grey Pug *Eupithecia subfuscata* Flying May - August

Heart & Dart *Agrotis exclamationis* Flying May - August

Hebrew Character *Orthosia gothica* Flying March - May

Hoary Bell *Eucosma cana* No data

Holly Tortrix Moth *Rhopobota naevana* No data

Iron Prominent *Notodonta dromedaries* Flying May - August

July Highflyer *Hydriomena furcate* Flying mid-June - September

Large Longhorn *Nematopogon swammerdamella* No data

Large Yellow Underwing *Noctua pronuba* Flying June – mid-September

Least Black Arches *Nola confusalis* Flying April - June

Lesser Broad-bordered Yellow Underwing *Noctua janthe* Flying July - September

Lesser Common Rustic *Mesapamea didyma* Flying July – mid-September

Lesser Yellow Underwing *Noctua comes* Flying mid-July – mid-October

Light Arches *Apamea lithoxyloae* Flying June - August

Light Brown Apple Moth *Epiphyas postvittana* No data

Lunar Marbled Brown *Drymonia ruficornis* Flying April – mid-June

Marbled White Spot *Protodeltote pygarga* Flying mid-May - early August

May Highflyer *Hydriomena impluviata* Flying May - June

Middle-barred Minor *Oligia fasciuncula* Flying June - early August

Mother of Pearl *Pleuroptya ruralis* No data

Mottled Beauty *Alcis repandata* Flying June - August

Muslin Moth *Diaphora mendica* Flying April - June

Narrow-winged Grey *Eudonia angustea* No data

Narrow-winged Pug *Eupithecia nanata* Flying mid-April - early September

No Common Name *Acleris laterana* No data

No Common Name *Aethes cnicana* No data

No Common Name *Agapeta hamana* No data

No Common Name *Agonopterix species* No data

No Common Name *Bactra* sp. No data
No Common Name *Blastobasis adustella* No data
No Common Name *Caloptilia stigmatella* No data
No Common Name *Carcina quercana* No data
No Common Name *Cnephasia* spp. No data
No Common Name *Coleophora glaucicolella* No data
No Common Name *Coleophora spinella* No data
No Common Name *Elachista albifrontella* No data
No Common Name *Epinotia nisella* No data
No Common Name *Helcys-gramma rufescens* No data
No Common Name *Lyonetia clerkella* No data
No Common Name *Phyllonorycter messaniella* No data
No Common Name *Phyllonorycter nigrescentella* No data
No Common Name *Stigmella hybnerella* No data
Notched-winged Tortricix *Acleris emargana* No data
Nut-tree Tussock *Colocasia coryli* Flying mid-April - June
Oblique Carpet *Orthonama vittata* Flying late May - September
Olive Pearl *Udea olivalis* No data
Pale Prominent *Pterostoma palpina* Flying May - August
Pale Straw Pearl *Udea lutealis* No data
Pale Tussock *Calliteara pudibunda* Flying May and June
Pale-backed Clothes Moth *Monopis crocicapitella* No data
Pale-shouldered Brocade *Lacanobia thalassina* Flying May - July
Peach Blossom *Thyatira batis* Flying mid-May – mid-August
Pebble Prominent *Notodonta ziczac* Flying mid-April - August
Peppered Moth *Biston betularia* Flying May - July
Plain Gold *Micropterix calthella* No data
Poplar Hawk-moth *Laothoe populi* Flying May – mid-August
Purple Clay *Diarsia brunnea* Flying June - August
Red-green Carpet *Chloroclysta siterata* Flying April - November
Riband Wave *Idaea aversata* Flying June - August
Rosy Rustic *Hydraecia micacea* Flying August - October
Rush Marble *Bactra lancealana* No data
Scalloped Hazel *Odontopera bidentata* Flying May and June
Scalloped Oak *Crocallis elinguaris* Flying July and August

Scorched Wing *Plagodis dolabraria* Flying May and June

Setaceous Hebrew Character *Xestia cnigrum* Flying mid-May - October

Shaded Broad-bar *Scopteryx chenopodiata* Flying mid-July – mid-September

Sharp-angled Carpet *Euphyia unangulata* Flying June - August

Shoulder-striped Wainscot *Leucania comma* Flying late May - early July

Silver-ground Carpet *Xanthorhoe montanata* Flying mid-May - July

Silver-Y *Autographa gamma* Flying May - November

Single-dotted Wave *Idaea dimidiata* Flying mid-June - early September

Six-spot Burnet *Zygaena filipendulae stephensi* Flying June – mid-September

Six-striped Rustic *Xestia sexstrigata* Flying mid-July - early September

Small Fan-foot *Herminia grisealis* Flying June – mid-August

Small Fan-foot Wave *Idaea biselata* Flying July – mid-September

Small Grey *Eudonia mercurella* No data

Small Phoenix *Eclip-pera silacea* Flying mid-April – mid-September

Small Square-spot *Diarsia rubi* Flying May – mid-October

Small Wainscot *Denticucullus pygmina* Flying mid-July – mid-October

Smoky Wainscot *Mythimna impura* Flying mid-June – mid-September

Spruce Carpet *Thera britannica* Flying April - November

Square Spot Rustic *Xestia xanthographa* Flying July - October

Straw Dot *Rivula sericealis* Flying mid-June - early September

Sulphur Knapweed Moth *Agapeta zoegana* No data

Swallow-tailed Moth *Ourapteryx sambucaria* Flying mid-June – mid-August

Swan-feather Dwarf *Elachista argentella* No data

Tawny Marbled Minor *Oligia latruncula* Flying June – mid-August

Crescent *Helotropha leucostigma* Flying July - September

Dun-bar *Cosmia trapezina* Flying July – mid-September

Flame *Axylia putris* Flying June – mid-August

Herald *Scoliopteryx libatrix* Flying April - August

Magpie Moth *Abraxas grossulariata* Flying mid-June – mid-September

Rustic *Hoplodrina blanda* Flying mid-June - August

Snout *Hypena proboscidalis* Flying mid-June - August

Spectacle *Abrostola tripartita* Flying May - August

Uncertain *Hoplodrina octogenaria* Flying June – mid-August

Timothy Tortrix *Aphelia paleana* No data

Treble-bar *Aplocera plagiata* Flying May - September

Treble Lines *Charanyca trigrammica* Flying May and June

V-Pug *Chloroclystis vata* Flying April - August

Water Carpet *Lampropteryx suffumata* Flying mid-March – mid-June

White Ermine *Spilosoma lubricipeda* Flying May - July

White-shouldered House-moth *Endrosis sarcitrella* No data

White-spotted Pug *Eupithecia tripunctaria* Flying mid-April - August

Willow Beauty *Peribatodes rhomboidaria* Flying June – mid-September

Wormwood Pug *Eupithecia absinthiata* Flying June - August

Yellow-barred Brindle *Acasis viretata* Flying April - September

Note: This list was compiled in June 2020 and based on records Ken Bond, Sean Ronayne and Jim Wilson. So far trapping has been carried out at Cuskinny between 20th April and the 27th September. Main flying periods for each species were taken from the Moths Ireland website <http://www.mothsireland.com/> where you can get more information and photos of the moths in this list. Check out [Irish Moths](#) for lots of great photos and information on Moths and Butterflies of Ireland.
